

# DISTINCTLY DUTCHESS

Here in Dutchess County, the Hudson Valley has its own distinct character. You'll discover experiences you won't find anywhere else in upstate New York.

- Dine at the Culinary Institute of America's four restaurants.
- Stroll 212 feet above the Hudson River on the Walkway Over the Hudson.
- Visit the source of the world's purest maple syrup.

You'll need more than a day to get the full experience, so settle in to a cozy B&B, or a full-service hotel with TripAdvisor "Certificate of Excellence" ranking.

*Simple and Sophisticated. You Deserve Dutchess.*
