# 1 HOUR = 2 NIGHTS

Shouldn't your weekend getaway be less about getting there,  
and more about being there?

In one hour, you can start enjoying and exploring Dutchess County,  
NY - the heart of the Hudson Valley.

Because Dutchess County is so close, settle in for not one, but two  
cozy nights in a B&B or a full-service hotel with TripAdvisor "Certificate  
of Excellence" ranking.

And with all that extra time, you can get the most out of your  
getaway...when you get away to Dutchess County.

*Simple and Sophisticated. You Deserve Dutchess.*
